SKILL DEVELOPMENT

CAPACITY DEVELOPMENT AND SKILL ENCHANCEMENT

Asan Memorial College Provides huge eminence on activities focus towards self development and skill enhancement. The activities conducted are formulated to enhance the leadership, adaptive, management and technical capacity of the students. Enhancing the skillsets of the student community is also a major focus of the Institution.

Several activities are planned in the following areas:

1. **Soft Skills**
2. **Language and Communication Skills**
3. **Life Skills**
4. **ICT/Computing Skills**

SKILL ENHANCEMENT

One day Program on English Enhancement course organized for Students

Rigorous training programmes and activities are organized for the students by well equipped professionals and external experts systematically. Trainings and Events for development of language and communication are periodically organized. The students are given ample opportunities to showcase their talents in different platforms.

YOGA SESSIONS ORGANIZED FOR STUDENTS

 Emphasis is placed on instruction in gentle stretching, breathing practices, progress deep relaxation, and posture. Upon completion, students should be able to participate in and appreciate the benefits of the activity. To impart the same, some fitness, yoga and meditation are educated regularly to the students. To keep up the pace in the current technology industrial realm, various awareness programmes are scheduled for the benefit of the students.

SILAMBAM CLASS FOR STUDENTS

The main motto of this club is to teach the basics of silambam, different styles of silambam, self-defence and to create martial arts awareness. The Silambam Club conducts weekly classes to develop the performance of the students.
