THE FOUNDER

Shri. A. K. Gopalan, the founder Secretary and Chairperson of the Asan Memorial Association was an eminent civil engineer and a philanthropist with over 60 years of experience in the construction industry. A visionary with extraordinary capabilities, he founded the Asan Group of Institutions to contribute to the noble task of fostering higher education. The Association was established in 1965 as a tribute to the memory of Mahakavi Kumaran Asan, the late Poet Laureate of Kerala.

Shri. A. K. Gopalan rose to great heights through his hard work and dedication. He was driven by a vision and dedicated his life to establish quality higher education and this vision is brought to life through the educational institutions affiliated to the Association.

ABOUT THE COLLEGE

Asan Memorial College of Arts & Science established in 1994 has been fostering educational excellence since its inception while focusing on holistic student development. The college is affiliated to University of Madras and is governed by the Asan Memorial Association.

The college was inaugurated by Shri. K. R. Narayanan, the then Vice President of India, along with Mr. Vakkom Purushothaman, the Lt. Governor of Andaman and Nicobar.

Starting with just four undergraduate courses and six faculty members, the college has grown significantly over the years. Today, it offers 15 undergraduate courses in fields such as Arts, Science, Commerce and Management, as well as four postgraduate courses in Science and Management. The institution continues to provide high quality education to its students.

VISION

To educate individuals to become intellectually enlightened, professionally capable, morally upright and socially committed.

MISSION

To equip young men and women with knowledge and skill.

To impart value-based education and foster right attitude, good character and human values.

To develop the learner's personality and prepare him/her for the larger world outside.

To conserve our rich traditions and cultivate respect for our heritage

FROM THE DESK OF PRINCIPAL

Asan Memorial College of Arts and Science, with more than 25 years of delivering exceptional educational content to the students, invites aspiring minds to join us in pursuing knowledge to serve the world.

AMCAS believes that learning is a lifelong process which leads to future achievements. Here, learners are encouraged to seize opportunities, apply new knowledge, and demonstrate their skills in practice. Through the collaborative efforts of our teaching and learning community, we aim to achieve the institution's vision.

We provide a holistic learning experience, emphasizing life skills, social values, knowledge, and personality development. With a rich history of pioneering pedagogical and educational innovations, the college nurtures talent through a blend of academic learning, extracurriculars, and sports. We believe in the saying that success comes to those who venture outside their comfort zones.

Join us, follow your dreams and create a better version of yourself.

Together let us conquer new heights.

Dr. T.S. Santhi

CAMPUS LIFE & INFRASTRUCTURE

The college boasts a large, picturesque campus with well-maintained gardens, playgrounds, and sports facilities.

The campus houses excellent infrastructure, including a canteen and an auditorium.

Academic facilities are top-notch, featuring well-equipped laboratories, training kitchens, restaurants and a spacious central library with the latest books and journals.

INCLUSIVE AND INTEGRATIVE LEARNING

Asan Memorial College follows an inclusive approach to education, ensuring a balanced development of academic skills, human values, sportsmanship, and cultural awareness. Its motto, "Education beyond Classrooms," reflects the college's commitment to providing a well-rounded educational experience.

The college has a strong academic track record, with students consistently securing University ranks. The faculty is highly experienced, with many holding Ph.D. degrees. Active student clubs and units, promote various extracurricular activities, while successful campus placements in hotels, banks, and multinational companies highlight its career readiness.

The college also thrives in sports, with regular inter-departmental competitions, inter-collegiate tournaments, and annual sports events

CLUBS & CELLS

The college has established several clubs to allow students to explore their interests in arts, culture, and social service. These clubs provide opportunities for students to enhance their existing skills and acquire new ones through workshops and events organized by the clubs. They also serve as a platform for students to engage with one another in various focused activities. AMCAS is always proud to have won the Best NSS Unit Award at the University level for the year 2022-2023.

Student welfare clubs and committees are also major attractions of the college.

COLLABORATIONS

AMCAS and AIM has over 40 MOUs with companies and academic institutions in Chennai. By forging strong industry connections, the college opens doors for internships, placements, and mentorship programs, helping the student fraternity in a smooth transition from academia to the professional world thereby bridging the gap between academia and industry. Continuous interaction with industry partners through emails, calls, and personal visits fosters long-term relationships between the college and the industry.
